SECTION 7 – TERMS & CONDITIONS

1. An Interment Right is a contract with the cemetery operator that allows interments to take place in a particular location in a cemetery. There is no entitlement to any real estate.
2. No more than two (2) Interment Rights in a cemetery can be held by any individual person.
3. Graves can usually be dug to a depth to accommodate two coffins. However, occasionally, due to rock or stability problems not evident prior to commencement of digging the grave, ground conditions may not allow for burial in an allocated plot. In these circumstances an alternate plot will be allocated
4. Interment Rights issued to multiple applicants are held jointly. On the death of a joint holder of an Interment Right, it passes on to the remaining joint Interment Right holder/s.
5. A certificate will be issued to the holder/s as proof of ownership and must be presented when booking an interment service.
6. The Holder/s of the Interment Right has the sole authority to determine who can be interred in the site and to allow Council approved memorials to be placed.
7. A replacement certificate may be issued if the original certificate is lost, stolen or destroyed, on application and payment of the Cemetery Operator's associated fee.
8. The Interment Right application fee does not include extras, e.g. maintenance fee, memorial permit fee, interment site digging fees, other administrative charges.
9. The Interment Right holders' preferred funeral director is responsible for coordinating the interment and funeral arrangements.
10. Subject to the following, a memorial to the deceased person can be erected upon the interment site:
 - A. Provided it is of the type allowed under the Cemetery Operator's policy/procedures/requirements in that specific interment section
 - B. No memorial may be erected without the Cemetery Operator's prior written approval; and
 - C. No existing memorial may be altered or removed without the Cemetery Operator's prior written approval
 - D. The Cemetery Operator reserves the right to refuse permission for any proposed memorial construction or alteration in its absolute discretion without assigning any reason. The Cemetery Operator has the right (but not the obligation) to remove any unapproved memorial or alteration without notice to any person.
11. The Cemetery Operator may accept and process any application concerning an Interment Right from any person/s declaring they are authorised to do so (upon provision of written or documentary evidence and payment of the associated fee).
12. The Cemetery Operator may repurchase unused Interment Rights from the holder/s in accordance with the Cemetery Operator's then current policy.
13. An Interment Right can form part of a personal estate and be bequeathed, if not used.
14. Interment Rights can be transferred, after consultation with the Cemetery Operator. Transfer of the Interment Right is only operative when a Transfer of Interment Right Application is submitted with payment of the associated fee and processed by the Cemetery Operator.
15. Unused Interment Rights can be transferred pursuant to the will or intestacy of a deceased Interment Right holder. In this instance, the transfer of the Interment Right is only operative when a Transfer of Interment Right Application is submitted with payment of the associated fee and processed by the Cemetery Operator.
16. Monument ownership and all the responsibilities therein, reside with the Interment Right holder/s and his/her Executor/heirs and successors to the grave where the monument is erected.
17. A Perpetual Interment Right must be used by the right holder within 50 years of purchase. If it is not used within this period, a cemetery operator can revoke the Interment Right.
18. Glass or other items that the Cemetery Operator deems to be a safety hazard are not permitted and if necessary, may be removed without notice to any person.
19. The Cemetery Operator reserves the right to review and/or amend these Terms and Conditions, its holdings, interment sites and property within its cemeteries at any time, without notice to you.
20. Additional information is available by contacting the Cemeteries team on the details listed above.
