

Welcome to the PSA group of companies

In 2015 PSA was awarded a 20 year contract by Central Coast Council to manage, maintain, and operate their cemeteries at Point Clare and Wamberal on the NSW Central Coast. These cemeteries have served the local community for the past 100 years and are maintained to a very high standard and offer burial and ashes memorialisation at very reasonable rates.

In October 2018 PSA commenced Independent Mortuary Services at Tuggerah on the NSW Central Coast. After obtaining DA approval from Central Coast Council we fitted-out a state of the art mortuary facility that is NSW Health approved and registered.

PSA purchased the Mount Moriah Crematorium in Smeaton Grange in 2013 and offers economical cremations to funeral directors from all over greater Sydney, Central Coast, and Southern Highlands. Our cremation packages are tailored to include pick up of the deceased from your mortuary and return of cremated remains from \$490. Additionally, we offer our cremation customers transfer/removals from hospitals and nursing homes in the Sydney metro area and economical NSNA cremation coffins.

**GRAVEDIGGING
& BURIAL SERVICES**

PSA has been involved in the funeral industry for the past ten years. We started off providing premium gravedigging services to funeral directors in council and churchyard cemeteries that do not provide on-site gravedigging services. Our coverage now extends throughout the greater Sydney metro area, NSW Central Coast, the Illawarra, and the Southern Highlands.

**PLATINUM
FUNERAL SUPPLIES**

In 2013 PSA formed Platinum Funeral Supplies to facilitate the importing of coffins and caskets from South Africa and Vietnam. We have now secured exclusive distribution rights to a manufacturer in Ho Chi Minh City, Vietnam that produces quality coffins and caskets at a very competitive price point.
